Conditions (continued)

Other Insurance

If other valid and collectible insurance is available to the **insured** for loss we would otherwise cover under this insurance, our obligations are limited as follows.

Primary Insurance

This insurance is primary except when the Excess Insurance provision described below applies.

If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in the Method of Sharing provision described below.

Excess Insurance

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

- A. that is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar insurance for **your work**.
- B. that is insurance that applies to **property damage** to premises rented to you or temporarily occupied by you with permission of the owner.
- C. if the loss arises out of aircraft, **autos** or watercraft (to the extent not subject to the Aircraft, Autos Or Watercraft exclusion).
- D. that is insurance:
 1. provided to you by any person or organization working under contract or agreement for you.
 2. under which you are included as an insured.
- E. that is insurance under any Property section of this policy.
- F. that is insurance of any kind, that applies to **medical expenses** in connection with any **human clinical trial**, regardless of whether such insurance is provided to any:
 1. **insured**;
 2. human being participating in such trial; or
 3. other person or organization.
- G. that is effective prior to the beginning of the policy period shown in the Declarations of this insurance and applies on other than a claims-made basis, if:

 2. the other insurance has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance.

When this insurance is excess, we will have no duty to defend the **insured** against any **suit** if any other insurer has a duty to defend such **insured** against such **suit**. If no other insurer defends, we will undertake to do so, but we will be entitled to the **insured's** rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of loss, if any, that exceeds the sum of the total:

- amount that all other insurance would pay for loss in the absence of this insurance; and
- of all deductible and self-insured amounts under all other insurance.

Conditions

Other Insurance (continued)

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not negotiated specifically to apply in excess of the Limits Of Insurance shown in the Declarations of this insurance.

Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this method each insurer contributes equal amounts until it has paid its applicable limits of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance to the total applicable limits of insurance of all insurers.

Premium Audit

We will compute all premiums for this insurance in accordance with our rules and rates.

In accordance with the Estimated Premiums section of the Premium Summary, premiums shown with an asterisk (*) are estimated premiums and are subject to audit.

In addition to or in lieu of such designation in the Premium Summary, premiums may be designated as estimated premiums elsewhere in this policy. In that case, these premiums will also be subject to audit, and the second paragraph of the Estimated Premiums section of the Premium Summary will apply.

Separation Of Insureds

Except with respect to the Limits Of Insurance, and any rights or duties specifically assigned in this insurance to the first named **insured**, this insurance applies:

- as if each named **insured** were the only named **insured**; and
- separately to each **insured** against whom claim is made or **suit** is brought.

Transfer Or Waiver Of Rights Of Recovery Against Others

We will waive the right of recovery we would otherwise have had against another person or organization, for loss, to which this insurance applies, provided the **insured** has waived their rights of recovery against such person or organization in a contract or agreement that is executed before such loss.

To the extent that the **insured**'s rights to recover all or part of any payment made under this insurance have not been waived, those rights are transferred to us. The **insured** must do nothing after loss to impair them. At our request, the **insured** will bring suit or transfer those rights to us and help us enforce them.

Your Right To Claim Information

We will provide the first named **insured** shown in the Declarations the following information relating to this and any preceding coverage we have issued to you during the previous three years:

- a list or other record of each **occurrence** or offense, not previously reported to any other insurer, of which we were notified in accordance with the Duties In The Event Of Occurrence, Offense, Claim Or Suit condition of this contract. We will include the date and brief description of the **occurrence** or offense if that information was in the notice we received.
- a summary by policy year, of payments made and amounts reserved, stated separately, under any applicable aggregate limit.

Conditions

Your Right To Claim Information (continued)

We will provide this information only if we receive a written request from the first named **insured** within 60 days after the end of the policy period. Then, we will provide this information within 45 days of receipt of the request.

We compile claim information for our own business purposes and exercise reasonable care in doing so.
