# **PREAMBLE**

This Policy is a contract of insurance between **you** and **us**. **Your** Policy contains all of the details of the cover that **we** provide. This Policy consists of and must be read together with the Declarations and any Endorsements. This Policy is not complete unless it is signed and a Declarations page is attached.

The Sections of this Policy are identified by the **BLUE LINES** across the page with **WHITE UPPER CASE PRINT**. Words stated in the singular shall include the plural and vice versa.

IMPORTANT: INSURING CLAUSES I, 2, 3, 4 (SECTIONS A and B only) provide cover on a claims made and reported basis. Under these INSURING CLAUSES a claim must be first made against you and notified to us during the period of the policy to be covered. These INSURING CLAUSES do not cover any claim arising out of any prior or pending litigation on or before the Prior and Pending Litigation Date specified in the Declarations.

In consideration of the Premium and in reliance upon the information that **you** have provided to **us** prior to commencement of this insurance and which is deemed to form the basis of this insurance, **we** agree to provide the cover as set out below.

# HOW MUCH WE WILL PAY

Subject always to the **aggregate limit of liability**, the maximum amount payable by **us** shall not exceed the amounts shown in the Declarations in respect of each **SECTION** or **INSURING CLAUSE**.

Where more than one claim or loss arises from the same original cause or single source or event all those claims or losses shall be deemed to be one claim or loss and subject to the aggregate limit of liability only one limit of liability shall be payable in respect of all those claims or losses.

Where cover for any claim or loss is provided under multiple SECTIONS or multiple INSURING CLAUSES subject to the aggregate limit of liability only one limit of liability shall be payable in respect of that claim or loss and this shall be the highest limit of liability of the SECTIONS or INSURING CLAUSES under which cover is provided.

Where cover for any **claim** or **loss** is provided under **INSURING CLAUSE 2** and one or more of the other **INSURING CLAUSES**, the **claim** or **loss** shall be allocated to and payable under **INSURING CLAUSE 2**.

We may at any time pay to you in connection with any claim the amount of the aggregate limit of liability or limit of liability (after deduction of any amounts already paid). Upon that payment being made we shall relinquish the conduct and control of the claim and be under no further liability in connection with that claim.

This Policy shall apply to each **insured person** in the same manner and to the same extent as if a separate Policy had been issued to each **insured person**. Regardless of the number of **insured persons** involved, the total amount payable by **us** shall not exceed the **aggregate limit of liability**.

If due to an emergency, **our** written consent cannot reasonably be obtained prior to **costs and expenses** being incurred with respect to any **claim**, **we** can provide retrospective approval for those **costs and expenses** during the period of 14 days immediately following the date on which the **claim** was first made or instituted.

# YOUR DEDUCTIBLE

We shall only be liable for that part of each and every **claim** or **loss** which exceeds the amount of the Deductible stated in the Declarations. If any expenditure is incurred by **us** which falls within the amount of the Deductible stated in the Declarations, then **you** shall reimburse that amount to **us** on **our** request.

In the event that the **company** does not provide indemnification to the **insured persons**, regardless of being permitted or required to do so by law, **we** agree to reimburse the **losses** incurred by the **insured persons**. Where **we** reimburse the **losses** incurred to the **insured persons**, the **company** is obliged to reimburse the Deductible shown in the

Declarations to **us** upon **our** request, except where the **company** cannot grant indemnification because it is insolvent and is acting other than as the **insured persons**.

Where more than one **claim** or **loss** arises from the same original cause or single source or event all such **claims** or **losses** shall be deemed to be one **claim** or **loss** and only one Deductible will apply.

Where cover is provided under multiple **SECTIONS** or multiple **INSURING CLAUSES** only one Deductible will apply to that **claim** or **loss** and this shall be the highest Deductible of the **SECTIONS** or **INSURING CLAUSES** under which cover is provided.

  - you suffer any loss that could be covered by this Policy or a senior executive officer becomes aware that a claim has been made against you, whether verbal or

made in writing; or

- iii) you suffer a kidnap event.

We have nominated Claims Managers to accept notice on our behalf. Due to the nature of the coverage offered by this Policy, any unreasonable delay by you in notifying the Claims Managers of (i), (ii) or (iii) above could lead to the size of the claim, loss or costs incurred increasing or to our rights being restricted.

We shall not be liable for that portion of any claim, loss or costs incurred that is due to any unreasonable delay in you notifying the Claims Managers of any claim, loss or kidnap event in accordance with this clause.

If we cannot settle by these means, we shall pay the amount which you are found liable to pay either in court or through arbitration proceedings.

If you refuse to consent to a settlement we recommend and the claimant will accept, you may continue the defense and investigation of that claim. However, the further costs and expenses incurred will be paid by you and us on a proportional basis, with 80% payable by us and 20% payable by you.

We shall pay claims in the order incurred. However, if a claim is payable under INSURING CLAUSE I, SECTION A or INSURING CLAUSE 3, SECTION A, and one or more of the other INSURING CLAUSES, we shall first pay the part of the claim which is payable under INSURING CLAUSE I, SECTION A or INSURING CLAUSE 3, SECTION A. The Policy Administration Fee shall be deemed fully earned upon inception of the Policy.

#### 11. Allocation

In the event that any claim involves both covered matters and noncovered matters or persons not covered under this Policy, a fair and proper allocation of costs, judgments or settlements shall be made between the **company**, the **insured persons** and **us** taking into account the relative legal and financial exposures attributable to covered matters and non-covered matters.

If a fair and proper allocation cannot be agreed, we shall advance costs and expenses that we determine to be fair and proper until a different amount is agreed upon.

Final allocation shall be determined by a lawyer agreed between the **company**, the **insured persons** and **us**. The determination will be based upon written submissions only and will be final and binding. Pending that determination **we** may at **our** sole discretion meet the claim on an interim basis. After the determination the **insured persons** or the **company** (whichever is appropriate) will refund **us** any amount which **we** have paid that exceeds the entitlement under this Policy.

The costs of any reference to a lawyer shall be borne by us.

# 12. Innocent non-disclosure

We will not seek to avoid the Policy or reject any claim on the grounds of non-disclosure or misrepresentation except where the non-disclosure or misrepresentation was reckless or fraudulent or you failed to conduct a full inquiry prior to providing the information that forms the basis of this insurance. In the event that we seek to avoid the Policy or reject any claim on this basis the burden of proving otherwise rests solely with you.

The Application Form for this insurance shall be construed as a separate Application Form by each of the **insured persons**. With respect to the declarations and statements contained in the Application Form, no statement, declaration or knowledge possessed by any **insured person** shall be imputed to any other **insured person** for the purpose of determining the availability of cover with respect to **claims** against any other **insured persons**.

Only declarations and statements contained in the Application Form and knowledge possessed by any **insured person**, who is the subject of a **claim** under this Policy shall be imputed to the

company for the sole reason of determining if cover is available under **INSURING CLAUSE 1** and **INSURING CLAUSE 3** with respect to the **insured person**.

It is further agreed that service of process in such suit may be made upon the law firm shown in the Declarations and that in any suit instituted against **us**, **we** will abide by the final decision of such Court or of any Appellate Court in the event of an appeal. The law firm shown in the Declarations is authorized and directed to accept service of process on **our** behalf in any such suit and, at **your** request, to give a written undertaking to **you** that they will enter a general appearance on **our** behalf in the event such a suit is instituted.
