Section III. Limits of Liability

- A.** Each **Liability Coverage Part** of this Policy that is **Included** is subject to both a Per-Claim Limit of Liability applicable to all **Loss** arising out of any one **Claim** or **Related Claims**, and an Aggregate Limit of Liability applicable in the aggregate to all **Loss** arising out of all **Claims** or **Related Claims**, as set forth in ITEM 3 of the Declarations.
- B.** The **Liability Coverage Parts** of this Policy are offered with either a Single Aggregate Limit of Liability applicable in the aggregate to all **Loss** arising under all **Liability Coverage Parts**, or a Separate Limit of Liability for all **Loss** arising under each **Liability Coverage Part**, as set forth in ITEM 3 of the Declarations, but never with both.

- (1) If a Single Aggregate Limit of Liability is designated in ITEM 3 of the Declarations:
 - a. the **Insurer's** maximum aggregate Limit of Liability for all **Loss** under the **Liability Coverage Parts** of this Policy, regardless of the number of Coverage Parts **Included** or **Claims**, shall be the amount shown in ITEM 3 of the Declarations;
 - b. the **Insurer's** obligations under the **Liability Coverage Parts** of this Policy shall be deemed completely fulfilled and extinguished if the Limit of Liability is exhausted by payment of **Loss**, regardless of the time of payment or the number of **Claims**; and
 - c. the **Insurer** shall be liable to pay all **Loss** in excess of the applicable Retention amount set forth in ITEM 3 of the Declarations, up to the applicable Limit of Liability stated in ITEM 3 of the Declarations.
 - (2) If Separate Limits of Liability are designated in ITEM 3 of the Declarations, there shall be a Separate Limit of Liability for each Coverage Part **Included**. Each such Separate Limit of Liability shall be the maximum aggregate Limit of Liability for all **Loss** pursuant to each respective Coverage Part, regardless of the number of **Claims** made against the **Insureds** under such Coverage Part.
- C. Costs of Defense** shall be part of, and not in addition to, the applicable Limit of Liability, and such **Costs of Defense** shall serve to reduce the Limit of Liability. Once the applicable Limit of Liability has been exhausted by the payment of **Loss** (including **Costs of Defense**), the **Insurer's** duty to defend **Claim(s)** shall cease.
- D. The Non-Liability Coverage Part** of this Policy has a Separate Aggregate Limit of Liability for all Insuring Agreements that are **Included**. This Separate Aggregate Limit of Liability is set forth in ITEM 3 of the Declarations.
- E.** Only one Limit of Liability shall be applicable to any **Claim** (or **Related Claim(s)**), regardless of the number of **Insureds** involved.

Section IV. Retention

- A.** The Retention(s) for the **Liability Coverage Parts** are set forth in ITEM 3 and the COVERAGE SCHEDULE of the Declarations. The Retention shall apply to any combination of **Costs of Defense**, damages, settlements and any other costs that comprise **Loss**.
- B.** The **Insurer** shall pay one hundred percent (100%) of all **Loss** arising from any **Claim** (or **Related Claim(s)**) in excess of the applicable Retention, if any, up to the applicable Limit of Liability stated in ITEM 3 of the Declarations. The **Insured** shall be responsible for, and shall hold the **Insurer** harmless from, any amount within the Retention. The Retention shall be borne by the **Insured** and cannot be insured or transferred to another party.
- C.** Only one Retention shall be applicable to any **Claim** (or **Related Claim**), regardless of the number of **Insureds** involved. In the event more than one Retention applies to the **Loss**, only the highest Retention shall be applied.

Section V. Exclusions Applicable to the Entire Policy

The **Insurer** shall not be liable to pay **Loss** (including **Costs of Defense**) under any **Liability Coverage Part**, or to make any payment under the **Non-Liability Coverage Part**:

- A.** based upon, arising out of, relating to, directly or indirectly resulting from or in consequence of, or in any way involving any actual or alleged:
- (1) seepage, pollution, radiation, emission, contamination or irritant of any kind, including but not limited to smoke, vapor, dust, fibers, mold, spores, fungi, germs, soot, fumes, acids, alkalis, asbestos, chemicals or waste;
 - (2) redemption of tickets, coupons or prizes for any contest, lottery, sweepstakes, promotion or game of chance, including but not limited to any actual or attempted redemption arising out of the misprinting or miswording of notices, tickets or coupons for any of the foregoing; or for the violation of any laws regulating any contest, lottery, sweepstakes, promotion or game of chance;
 - (3) war or civil unrest, insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of the foregoing; or any seizure, confiscation, expropriation, nationalization or destruction or other order of any governmental authority;

 - (5) mechanical or electrical failure or outage, routine wear and tear, or a disruption or failure of any infrastructure service or utility supplied by a third party, including but not limited to power, water, gas, communications or connectivity, provided, however, that this exclusion shall not apply where any of the foregoing was actually or allegedly caused by an act, error or omission by or on behalf of the **Insured**.

If Coverage Part A.1 is **Included**, the exclusions set forth in **Section V.A.** above shall not apply to any **Claim** for any **Media Wrongful Act** arising exclusively out of **Content** concerning or relating to any of the foregoing.

- B.** based upon or arising out of any **Claim** for:
- (1) any actual or alleged price fixing, restraint of trade or monopolization, or any actual or alleged violation of:
 - a. the Federal Trade Commission Act, the Sherman Act, the Clayton Act or any other federal or state statutory provision involving antitrust, monopoly, price fixing, price discrimination, predatory pricing or restraint of trade activities;

- (4) any actual or alleged false advertising or unfair or deceptive trade practice with respect to the advertising or sale of an **Insured’s** own products, publications or services, or any unfair competition allegations arising out of the foregoing;
- (5) any actual or alleged violation by an **Insured** of the Employee Retirement Income Security Act of 1974, the Fair Labor Standards Act, the National Labor Relations Act, the Worker Adjustment and Retraining Notification Act, the Consolidated Omnibus Budget Reconciliation Act of 1985, the Occupational Safety and Health Act or any rules or regulations promulgated under these acts or any similar provisions of any federal, state, local or foreign law; or
- (6) any actual or alleged:
 - a. infringement of any patent, contributing to the infringement of any patent or inducing the infringement of any patent;
 - b. false designation or description of any patent; or
 - c. misappropriation, infringement or theft, or the inducement of misappropriation, infringement or theft of trade secrets.

C. based upon or arising out of any **Claim** brought by or on behalf of:

- (1) an **Employee**, former **Employee** or prospective **Employee** based on or directly or indirectly arising out of or resulting from the employment relationship or the nature, terms or conditions of employment, including but not limited to claims of discrimination, harassment, wrongful discharge, breach of contract, employment-related defamation or workplace torts; or
- (2) any other **Insured**, except this **Exclusion V.C.(2)** shall not apply to a **Claim** brought by an **Employee** under Coverage Part C.

D. based upon, arising out of, relating to, directly or indirectly resulting from or in consequence of, or in any way involving:

- (1) any fact, circumstance, transaction, event or **Wrongful Act** that, before the Inception Date set forth in ITEM 2 of the Declarations, was the subject of any notice of claim or loss, or notice of potential claim or potential loss, given under any other policy of insurance;
 - (2) any demand, suit or other proceeding that was pending, or order, decree or judgment that was entered, against any **Insured** on or prior to the Inception Date set forth in ITEM 2 of the Declarations, or any **Wrongful Act**, fact, circumstance or situation underlying or alleged in any such demand, suit or other proceeding;
 - (3) any fact, circumstance, transaction, event or **Wrongful Act** of which, as of the Inception Date set forth in ITEM 2 of the Declarations, any **Insured** had knowledge and that was reasonably likely to give rise to a **Claim** that would fall within the scope of the insurance afforded by this Policy;
 - (4) any other **Wrongful Act** whenever occurring, which together with a **Wrongful Act** described in (1) through (3) above, would constitute **Related Wrongful Acts**; or
- E.** that is insured in whole or in part by another valid policy or policies (except with respect to any excess beyond the amount or amounts of coverage under such other policy or policies), whether such other policy or policies are stated to be primary, contributory, excess, contingent or otherwise.

Section VI. Coordination Among Liability Coverage Parts

In the event any **Claim** (or **Related Claim**) is covered under more than one **Liability Coverage Part**, then:

- A.** It is understood and agreed the maximum Limit of Liability for any **Claim** covered under more than one **Liability Coverage Part** shall not exceed the highest available remaining Limit of Liability of the applicable **Liability Coverage Parts**. This **Section VI.A.** in no way increases the Limit of Liability available under any individual Coverage Part.
- B.** If the applicable **Liability Coverage Parts** have conflicting provisions regarding defense and settlement, the provisions of General Terms and Conditions, **Section VII.**, will apply.

Section VII. Defense and Settlement

- A.** The **Insurer** shall have the right and duty to defend any **Claim** covered under any **Liability Coverage Part**.
- B.** The **Insured** shall at all times have the right to associate with the **Insurer** in the investigation, defense or settlement of any **Claim** to which coverage under this Policy may apply.
- C.** In addition to furnishing notice of any **Claim** as provided in **Section IX.**, the **Insured** shall give to the **Insurer** any such assistance, cooperation and information as the **Insurer** may reasonably require, including copies of reports, investigations, pleadings and other papers in connection therewith.
- D.** The **Insurer** may settle any **Claim** only with the consent of the **Insured**. In the event the **Insurer** recommends a settlement and the **Insured** refuses to consent thereto, the

Insurer's liability for such **Claim** is limited to the amount in excess of the Retention that the **Insurer** would have contributed to the settlement had the **Insured** consented to such settlement, the **Costs of Defense** covered by the Policy and incurred prior to the date of such refusal to settle, and fifty percent (50%) of any additional covered **Loss**, including **Costs of Defense**, incurred subsequent to such refusal. In no event shall the **Insurer** be liable for any amounts in excess of the applicable Limit of Liability.

- E. The **Insured** shall not retain counsel, incur **Costs of Defense**, admit liability, offer to settle or agree to any settlement in connection with any **Claim** without the express prior written consent of the **Insurer**, which shall not be unreasonably withheld. The **Insured** shall provide the **Insurer** with all information and particulars it may reasonably request in order to reach a decision as to such consent. Any **Loss** resulting from any **Costs of Defense** incurred, admission of liability, or any offer or agreement to settle prior to the **Insurer's** consent shall not be covered.

Section VIII. Allocation

If:

- A. there is a **Claim** made against any **Insured**, or there is a **Coverage Event**, and such **Claim** or **Coverage Event** includes both covered and uncovered matters pursuant to this Policy; or
- B. coverage is extended for a **Claim** made against an **Insured**, or for a **Coverage Event**, and such **Claim** or **Coverage Event** involves others who are not entitled to such coverage (including **Insureds** who are not extended coverage for such **Claim** or **Coverage Event**),

then the **Insured** and the **Insurer** recognize and agree there must be an allocation between the insured and uninsured portion of any **Loss**. The **Insured** and the **Insurer** shall use their best efforts to agree upon a fair and proper allocation, and if they are unable to agree upon such allocation, the issue of allocation shall be submitted to dispute resolution in accordance with **Section XXIII** of this Policy.

Section IX. Notice

With respect to any coverage provided under any **Liability Coverage Part** or **Non-Liability Coverage Part**, the **Insureds** shall, as a condition precedent to their rights under this Policy, give the **Insurer** notice in writing as required by the applicable **Liability Coverage Part** or **Non-Liability Coverage Part**.

Section X. Claim First Made

All **Claims** (or **Related Claims**) shall be deemed to have been made on the earlier of the following dates: the earliest date on which any such **Claim** (or **Related Claim**) was first made; or the earliest date on which any **Wrongful Act** or (**Related Wrongful Act**) giving rise to such **Claim** was reported under this Policy or any other policy providing similar coverage.

Section XI. Cancellation or Non-Renewal

- A. This Policy may be canceled by the **First Named Insured** at any time by written notice to the **Insurer**. Upon cancellation, the **Insurer** shall retain the customary short-rate portion of the premium, unless otherwise provided by Endorsement.

- B. This Policy may be canceled by the **Insurer** only if the **First Named Insured** does not pay the premium when due.
- C. If the **Insurer** elects not to renew this Policy, the **Insurer** shall provide the **First Named Insured** with no less than sixty (60) days advance notice thereof.

Section XII. Statements in Application

By acceptance of this Policy, all **Insureds** agree that the statements contained in the Application for insurance submitted to the **Insurer** in connection with this Policy, any Application for insurance of which this Policy is a renewal and any supplemental materials submitted therewith are their statements and representations, that they shall be deemed material to the risk assumed by the **Insurer** and that this Policy is issued in reliance upon the truth thereof.

Section XIII. Action Against the Insurer

- A. With respect to any **Liability Coverage Part**, no action shall be taken against the **Insurer** unless, as a condition precedent thereto, there has been full compliance with all the terms of this Policy (including submission to the dispute resolution process described in **Section XXIII.**) and until the **Insured's** obligation to pay has been finally determined by an adjudication against the **Insured** or by written agreement of the **Insured**, the claimant and the **Insurer**.
- B. With respect to any **Non-Liability Coverage Part**, no action shall be taken against the **Insurer** unless, as a condition precedent thereto, there has been full compliance with all the terms of this Policy (including submission to the dispute resolution process described in **Section XXIII.**) and until ninety (90) days after the **Insured** has given the **Insurer** notice and has provided the **Insurer** with an affirmative proof of loss with full particulars and unless brought within two (2) years from the date the **Insured** discovers the loss.
- C. No person or organization shall have any right under this Policy to join the **Insurer** as a party to any action against the **Insured** nor shall the **Insurer** be impleaded by any **Insured** or its legal representative in any such action.

Section XIV. Merger or Acquisition

- A. If, during the **Policy Period**, the **Insured** acquires the assets of another entity, by merger or otherwise, and the acquired assets of such other entity exceed ten percent (10%) of the assets of the **First Named Insured** as of the Inception Date of the Policy, written notice thereof shall be given to the **Insurer** as soon as practicable, but in no event later than ninety (90) days from the effective date of the transaction, together with such information as the **Insurer** may request. Premium adjustment and coverage revisions shall be effected as may be required by the **Insurer**.
- B. There is no coverage for any **Wrongful Act** or **Coverage Event** of any **Subsidiary** or the **Insured Persons** of such **Subsidiary** or any entity that merges with the **Insured** or the **Insured Persons** of such entity occurring:
 - (1) prior to the date such entity became a **Subsidiary** or was merged with the **Insured**;
 - (2) subsequent to the date such entity became a **Subsidiary** or was merged with the **Insured** which: (i) in the case of a **Wrongful Act**, together with another **Wrongful Act** occurring prior to the date such entity became a **Subsidiary** or was merged with the **Insured**, would constitute **Related Wrongful Acts**; or (ii)

in the case of a **Coverage Event**, together with another **Coverage Event** occurring prior to the date such entity became a **Subsidiary** or was merged with the **Insured**, would constitute **Related Coverage Events**; or

- (3) subsequent to the date the **First Named Insured** ceased to own, directly or indirectly, more than fifty percent (50%) of the interests entitled to vote generally in the election of the governing body of such **Subsidiary**.

Section XV. Conversion to Run-Off Coverage

If, during the **Policy Period**, a transaction occurs wherein another entity gains control of the **First Named Insured** through the ownership of more than fifty percent (50%) of the voting stock of the **First Named Insured**; or the **First Named Insured** merges into another entity or consolidates with another entity such that the **First Named Insured** is not the surviving entity, then:

- A. the **First Named Insured** must give written notice of such transaction to the **Insurer** within ninety (90) days after the effective date of such transaction and provide the **Insurer** with such information in connection therewith as the **Insurer** may deem necessary;
- B. this Policy shall apply only to any **Wrongful Acts** actually or allegedly committed on or before the effective date of such transaction, or any **Coverage Event** that occurred before the effective date of such transaction, and shall be excess of any other insurance available; and
