- D. The Underwriters agree that the **Insured** may settle any **Claim** where the **Damages** and **Claims Expenses** do not exceed fifty percent (50%) of the **Retention**, provided that the entire **Claim** is resolved and the **Insured** obtains a full release on behalf of all the **Insureds** from all claimants.

B. For insurance written for more or less than one (1) year:

1. If insurance has been in force for twelve (12) months or less, apply the standard short rate table for annual insurances to the full annual premium determined as for an insurance written for a term of one (1) year.
2. If insurance has been in force for more than twelve (12) months:
 - (a) Determine full annual premium as for an insurance written for a term of one (1) year.
 - (b) Deduct such premium from the full insurance premium, and on the remainder calculate the pro-rata earned premium on the basis of the ratio of the length of time beyond one (1) year the insurance has been in force to the length of time beyond one (1) year for which the insurance was originally written.
 - (c) Add premium produced in accordance with items (a) and (b) to obtain earned premium during full period insurance has been in force.

Furthermore and notwithstanding the foregoing, the Underwriters shall retain the total premium for this Policy, such total premium to be deemed earned upon inception of the Policy if any **Claim, Loss** or any circumstance that could reasonably be the basis for a **Claim** or **Loss** is reported to the Underwriters under this Policy on or before such date of cancellation.
