reported to the Underwriters in writing in accordance with Section 11 of this Policy, and 3) the entirety of the **technology services wrongful act** takes place on or after the applicable **retroactive date**.

2. Defense, Settlement and Investigation of Claims

- a. With respect to Named Coverages I, II, III and IX (if purchased), the Underwriters have the right and duty to defend an **Insured** against any **claim** covered under the terms of this Policy, even if the allegations of the **claim** are groundless, false, or fraudulent. Underwriters have the right to appoint an attorney to defend any such **claim**.
- b. The Limits of liability available to pay **damages** will be reduced, and may be completely exhausted, by payment of **claim expenses** or any other amounts covered under this Policy. **Damages, claim expenses**, and any other amounts covered under this Policy will be applied against the applicable **retention** or co-insurance percentage payable by the **Insureds**.
- c. The **Insureds** shall not pay any **damages, claim expenses** or other amounts covered under this Policy, or settle or offer to settle any **claim**, or assume any contractual obligation, admit liability, voluntarily make any payment or confess or otherwise consent to any **damages** or judgments without the Underwriters' prior written consent, which will not be unreasonably withheld. The Underwriters will not be liable for any **damages, claim expenses** settlement, judgment, assumed obligation, admitted liability, voluntary payment or confessed damages to which they have not consented.
- d. The Underwriters have the right to make any investigation they deem necessary including, without limitation, any investigation with respect to the **application**, statements made in the **application**, or coverage.
- e. With respect to Named Coverages I, II, III and IX (if purchased), Underwriters will not settle any **claim** or pay any **damages, regulatory compensatory award** and/or **regulatory fines and penalties**, whichever applies, without the **Insured's** consent. If an **Insured** refuses to consent to any settlement or compromise recommended by the Underwriters or their representatives that is acceptable to the claimant, and the **Insured** elects to contest the **claim** or continue any legal proceedings in connection with such **claim**, then Underwriters' total liability for any **damages, claim expenses, regulatory compensatory award** and/or **regulatory fines and penalties** will not exceed:
 - i. The amount for which the **claim** could have been settled, less the remaining **retention**, plus **claim expenses** incurred as of the date the **Insured** withheld consent to such settlement, plus
 - ii. Fifty percent (50%) of any **damages, claim expenses, regulatory compensatory award** and/or **regulatory fines and penalties** incurred after the date the **Insured** withheld consent to such settlement or compromise. The remaining fifty percent (50%) of such **damages, claim expenses, regulatory compensatory award** and/or **regulatory fines and penalties** will be borne by the **Insured** at the **Insured's** own risk and uninsured under this Policy.
- f. The Underwriters shall have no duty to pay any **damages, claim expenses**, or any other amounts covered under this Policy, or to undertake or continue the defense of any **claim**, after the applicable Limit of Liability and/or the Maximum Policy Aggregate Limit of Liability has been exhausted. Upon payment of the applicable Limit of Liability and/or the Maximum Policy Aggregate Limit of Liability, the Underwriters shall have the right to withdraw from the further defense of a **claim** by tendering control of said defense to the **Insured**.

3. Limits of Liability

- a. The Limits of Liability set forth in Item 4A of the Declarations represent the maximum sums that Underwriters will pay under each Named Coverage for each **claim** first made during the **policy period** and in the aggregate for all **claims** first made during the **policy period**, including **claim expenses** where applicable. Neither the inclusion of more than one **Insured** under this Policy, nor the making of **claims** by more than one person or entity will increase the Limits of Liability for any one Named Coverage purchased.
- b. The Maximum Policy Aggregate Limit of Liability set forth in Item 4B of the Declarations represents the maximum sum that Underwriters will pay as a result of all **claims** first made during the **policy period**, including **claim expenses** where applicable, regardless of the number of Named Coverages that apply.
- c. Notwithstanding the aggregate limit set forth under each Named Coverage in Item 4A of the Declarations, all payments made under this Policy, regardless of the number of Named Coverages that apply, will reduce the Maximum Policy Aggregate Limit of Liability set forth in Item 4B of the Declarations. In no event will Underwriters

pay more than the Maximum Policy Aggregate Limit of Liability set forth in Item 4B of the Declarations.

- d. All **claims** under one Named Coverage which arise out of the same, related, or continuing incidents, acts, facts, or circumstances will be considered a single **claim**, regardless of the number of **claims** made, **Insureds** affected, or claimants involved. Only one Limit of Liability set forth in Item 4A of the Declarations will apply to such **claim**. All **claims** which arise out of the same, related or continuing incidents, acts, facts or circumstances will be deemed to have been first made on the date the earliest of such **claims** is made.
- e. In the event a **claim** attaches to more than one Named Coverage, only one Limit of Liability set forth in Item 4A of the Declarations will apply to such **claim**. In such event, only the highest of the applicable Limits of Liability will apply. The Underwriters have the sole discretion to allocate **claims** paid, if any, against the appropriate Limit of Liability.
- f. The Limit of Liability for the **extended reporting period**, if applicable, will be part of, and not in addition to, the Limits of Liability set forth in Item 4 of the Declarations. The existence of an **extended reporting period** will not increase or reinstate such Limits of Liability.

4. Retention and Waiting Period

- a. The applicable **retention** amount for each Named Coverage, as set forth in Item 5 of the Declarations, will apply separately to each **claim**. The **retention** must be satisfied by the **Insured's** actual payment of **damages, claim expenses**, and/or any other amounts covered under this Policy. If a **claim** attaches to more than one Named Coverage, only the highest **retention** will apply.
- b. The **Insured's** payment of the applicable **retention** is a condition precedent to payment by the Underwriters of any sums covered under the Policy, and the Underwriters will only be liable for the sums in excess of such **retention**, not to exceed the total applicable Limit of Liability as stated in Item 4 of the Declarations. The **Insured** must make direct payments within the **retention** to the appropriate parties designated by the Underwriters.
- c. All **claims** under any one Named Coverage which arise out of the same, related, or continuing incidents, acts, facts or circumstances will be considered a single **claim**, regardless of the number of **claims** made, **Insureds** affected, or claimants involved, and only one **retention** will apply to such **claim**.
- d. With respect to Named Coverage V, VI.B. or VIII, the **waiting period** listed in Item 5 of the Declarations will apply to covered amounts. The **waiting period** applies to each **period of restoration** or **period of indemnity**, whichever applies. Once the **waiting period** is met, the **Insured** will be responsible to pay any co-insurance percentage or **retention** shown in Item 5 of the Declarations as applicable to Named Coverage V, VI.B., or VIII.

- a. Whenever coverage under this insurance would be excluded, suspended or lost because of non-compliance with Section 11, relating to the giving of notice of a **claim** to the Underwriters, with respect to which any other **Insured** becomes in default solely because of the failure to give such notice or concealment of such failure by one or more **Insured** responsible for the loss or damage otherwise insured hereunder, then such insurance as would otherwise be afforded under this Policy will apply to any **Insured** who did not personally commit, personally participate in committing, or personally acquiesce to such failure to give notice, provided that the **Insured** entitled to the benefit of this provision complies with Section 11 promptly after obtaining knowledge of the failure of any other **Insured** to comply therewith.
- b. Any insurance afforded by this provision will not apply to a **claim**, if a current executive officer or director of the **Named Insured** or of a **Subsidiary** failed to give notice, as required by Section 11, of a **claim** or a circumstance that could reasonably be the basis of a **claim**, which was known to such current executive officer or director.
- c. Whenever coverage under this insurance would be excluded, suspended, or lost because of Exclusion 5, relating to a willful, deliberate, malicious, fraudulent, dishonest, or criminal act or omission by an **Insured**, then such insurance as would otherwise be afforded under this Policy will apply to those **Insureds** who did not personally commit, personally participate in committing, personally acquiesce, or remain passive after having personal knowledge of such willful, deliberate, malicious, fraudulent, dishonest, or criminal act or omission.

10. Extended Reporting Provisions

- a. Extended Reporting Period Endorsement: In the event of cancellation or non-renewal of this Policy, the **Named Insured** will have the right, upon payment of 100% of the premium set forth in Item 7 of the Declarations, to have issued an endorsement providing a 12-month **extended reporting period** effective from the date of cancellation, or in the event of non-renewal, the expiration of this Policy. If purchased, the **extended reporting period** will extend the coverage granted by this Policy with respect to any **claim** first made during the **extended reporting period**, but only if:
 - i. With respect to Named Coverage I, II, III, IV, V, and IX, the entirety of the actual or alleged **wrongful act(s)** or **first party insured event(s)** giving rise to such **claim** occurs on or after the applicable **retroactive date** and prior to the end of the **policy period**; and
 - ii. With respect to Named Coverage VI, VII and VIII, the entirety of the **first party insured event(s)** giving rise to such **claim** occurs during the **policy period**.

As a further condition precedent to coverage, the **claim** must be reported to the Underwriters in accordance with Section 11 of this Policy and will be subject to all other Policy terms, conditions and exclusions. In order for the **Named Insured** to purchase the **extended reporting period** endorsement, a written request for the **extended reporting period**, together with full payment of any additional premium for the **extended reporting period**, must be received by the Underwriters within thirty (30) days of the effective date of non-renewal or cancellation of this Policy.

- b. Change of Control Extended Reporting Period Endorsement: In the event of the **Named Insured's** acquisition or merger into another entity, or the **Named Insured's** liquidation or dissolution, or the sale or disposition of substantially all of the **Named Insured's** assets, all of which collectively and alternatively constitute a "change of control," the **Named Insured** will have the right to purchase a change of control **extended reporting period**, provided that the **Named Insured** has otherwise complied with the terms and conditions of this Policy. If purchased, the change of control **extended reporting period** will be effective for twelve (12) months from the expiration date of this Policy and will extend the coverage granted by this Policy with respect to any **claim** first made during the **extended reporting period**, but only if:
- i. With respect to Named Coverage I, II, III, IV, V and IX, the entirety of the actual or alleged **wrongful act(s)** or **first party insured event(s)** giving rise to such **claim** occurs on or after the applicable **retroactive date** and prior to the effective date of the change of control; and
 - ii. With respect to Named Coverage VI, VII and VIII, the entirety of the **first party insured event(s)** giving rise to such **claim** occurs during the **policy period**, but prior to the effective date of the change of control.

As a further condition precedent to coverage, the **claim** must be reported to the Underwriters in accordance with Section 11 of this Policy and will be subject to all other Policy terms, conditions and exclusions. In order for the **Named Insured** to purchase the change of control **extended reporting period** endorsement, a written request for the change of control **extended reporting period**, together with full payment of an additional premium equal to 100% of the premium set forth in Item 7 of the Declarations, must be received by the Underwriters within thirty (30) days of the expiration date of this Policy. If a change of control **extended reporting period** is elected and purchased, then paragraph (a) of this Section 10 and Section 18 are deleted in their entirety.

- c. The **extended reporting period** in paragraphs (a) and (b) above applies only to those Named Coverage(s) purchased, as shown in the Declarations.
- d. The Limits of Liability for the **extended reporting period** in paragraphs (a) and (b) are part of, and not in addition to, the Limits of Liability set forth in Item 4 of the Declarations.
- e. The quotation by the Underwriters of a different premium, **retention**, liability limit, or changes in policy language for the purpose of renewal will not constitute a refusal to renew by the Underwriters.
- f. The right to an **extended reporting period** will not be available to the **Named Insured** where cancellation or non-renewal by the Underwriters is because of non-payment of premium or the **Insured's** failure to pay amounts within the applicable **retention** or co-insurance percentage.
- g. All notices and premium payments with respect to the **extended reporting period** option in paragraphs (a) and (b) will be directed to the Underwriters through the entity named in Item 9 of the Declarations.
- h. At the commencement of an **extended reporting period**, the entire premium will be deemed fully earned, and in the event the **Named Insured** terminates an **extended reporting period** for any reason prior to its natural expiration, the Underwriters will not be liable to return any premium paid for the **extended reporting period**.

11. Notice Provisions

- a. If any **claim** under Named Coverage(s) I, II, III or IX is made against any **Insured**, the risk manager, General Counsel, or a senior officer or director of the **Named Insured** or a **Subsidiary** must provide written notice to Underwriters of such **claim** no later than sixty (60) days after the **claim** is first made. A **claim** under Named Coverage(s) I, II, III or IX will be deemed to be first made when it is received by an **Insured**.
- b. If the **Named Insured** or a **Subsidiary** has any **claim(s)** under Named Coverage V, the risk manager, General Counsel, or a senior officer or director of the **Named Insured** or **Subsidiary** must provide written notice to the Underwriters of such **claim** during the **period of indemnity**. A **claim** under Named Coverage V will be deemed to be first made when such written report is received by the Underwriters.
- c. If the **Named Insured** or a **Subsidiary** has any **claim(s)** under Named Coverage(s) IV, VI, VII or VIII, the risk manager, General Counsel, or a senior officer or director of the **Named Insured** or **Subsidiary** must provide written notice to the Underwriters of such **claim** no later than sixty (60) days after the **first party insured event** giving rise to such **claim** is discovered by an **Insured**. A **claim** under Named Coverage(s) IV, VI, VII, or VIII will be deemed to be first made when such written report is received by the Underwriters.
- d. If, during the **policy period**, any **Insured** becomes aware of any incidents, acts, facts or circumstances that

could reasonably be a basis for a **claim**, the risk manager, General Counsel, or a senior officer or director of the **Named Insured** or a **Subsidiary** must give written notice of the following information to the Underwriters during the **policy period**:

- i. Specific details of the incidents, acts, facts or circumstances that could reasonably be the basis for a **claim**;
- ii. Possible **damages**, penalties, or other amounts potentially covered under this Policy that may result or has resulted from the facts or circumstances;
- iii. Details regarding how the **Insured** first became aware of the incidents, acts, facts or circumstances; and
- iv. The **computer system** security and event logs, if applicable.

Any **claim** arising out of such reported incidents, acts, facts or circumstances will be deemed to be a **claim** first made on the date that the Underwriters first receive written notice complying with the above requirements.

- e. A **claim** will be deemed reported to the Underwriters when notice is first given to the Underwriters through persons named in Item 9 of the Declarations.

12. Loss Determination

- a. **Brand Loss.** The revenue projection required to calculate **brand loss** under Named Coverage V will take into account the prior experience of the **Named Insured** or **Subsidiary's** business preceding the date of the **adverse media report** or **notification**, whichever applies, and the probable experience had no **adverse media report** been published or **notification** occurred. Revenues include the amount of money paid or payable to the **Named Insured** or **Subsidiary** for goods, products, or services sold, delivered, or rendered in the normal course of the **Named Insured** or **Subsidiary's** business. Revenue projection will be reduced by the extent to which the **Named Insured** or **Subsidiary** uses substitute methods, facilities, or personnel to maintain its revenue stream. Underwriters will take into consideration the **Named Insured** or **Subsidiary's** documentation of the trends in the business and variations in, or other circumstances affecting, the business before or after the **adverse media report** or **notification**, which would have affected the **Named Insured** or **Subsidiary's** business had no **adverse media report** been published or **notification** occurred. Any fixed operating expenses (including ordinary payroll) incurred will be considered in calculating **brand loss**, but only to the extent that such operating expenses must continue during the **period of indemnity**.
- b. **Digital Assets Loss.** **Digital assets loss** under Named Coverage VI. A. will be determined as follows:
 - i. If the impacted **digital asset** was purchased from a third party, the Underwriters will pay only the lesser of the original purchase price of the **digital asset** or the reasonable and necessary **digital assets loss**.
 - ii. If it is determined that the **digital assets** cannot be replaced, restored or recreated, then Underwriters will only reimburse the actual and necessary **digital assets loss** incurred up to such determination.
- c. **Income Loss.** Under Named Coverages VI.B. and VIII, **income loss** will be determined as: 1) the **Named Insured** or a **Subsidiary's** revenue, as could have been reasonably projected, but which has been lost directly as a result of a total or partial interruption, degradation in service, or failure of the **Named Insured's computer system** due to a **covered cause of loss** or an **act of cyber terrorism**. The revenue projection will take into account the prior experience of the **Named Insured** or **Subsidiary's** business before the date of the **covered cause of loss** or **act of cyber terrorism** and the probable experience had no **covered cause of loss** or **act of cyber terrorism** occurred. Revenues include the amount of money paid or payable to the **Named Insured** or the **Subsidiary** for goods, products, or services sold, delivered, or rendered in the normal course of the **Named Insured** or **Subsidiary's** business. Revenue projection will be reduced by the extent to which the **Named Insured** or **Subsidiary** uses substitute methods, facilities, or personnel to maintain its revenue stream. The Underwriters will take into consideration the **Named Insured** or **Subsidiary's** documentation of the trends in the business and variations in, or other circumstances affecting, the business before or after the **covered cause of loss** or **act of cyber terrorism**, which would have affected the **Named Insured** or **Subsidiary's** business had no **covered cause of loss** or **act of cyber terrorism** occurred; and 2) any fixed operating expenses (including ordinary payroll) incurred, but only to the extent that such operating expenses must continue during the **period of restoration**.

13. Assistance and Cooperation

- a. The **Insureds** must cooperate with the Underwriters in all investigations. The **Insureds** must execute or cause to be executed all papers and render all assistance as reasonably requested by Underwriters. Part of this assistance may require the **Insureds** to provide copies of a third party's system security and event logs.

- b. At the Underwriters' request, the **Insureds** must assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the **Insured** with respect to which insurance is afforded under this Policy. The **Insureds** must attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses at the **Insureds'** own cost.
- c. No **Insured** will admit liability, make any payment, assume any obligations, incur any expense, enter into any settlement, stipulate to any judgment or award, or dispose of any **claim** without the Underwriters' written consent, unless otherwise provided under any Named Coverage. However, the prompt public admission of a **privacy breach** or **security breach** potentially impacting non-public personally identifiable information of **employees** or third parties, as required by governmental privacy legislation or credit card association operating requirements, will not be considered as an admission of liability requiring the Underwriters' prior consent; however, Underwriters must be provided notice, in accordance with Section 11 of this Policy, of such public admission, if such public admission is a circumstance that could lead to a **claim**.
- d. The Underwriters have the right to investigate coverage as deemed necessary, including, but not limited to, any investigation with respect to the **application**, statements made in the **application** and any supplemental material submitted therewith.
- e. The **Insureds** must submit to examination under oath by our representatives, if requested, in connection with all matters relating to this Policy.

14. Subrogation

If any payment is made under this Policy and there is available to the Underwriters any of the **Insureds'** rights of recovery against any third party, then Underwriters will maintain all such rights of recovery. The **Insureds** will execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **Insureds** will do nothing to prejudice such rights. Any recoveries will be applied first to subrogation expenses, second to **damages, claims expenses**, or any other sums paid by the Underwriters, and lastly to the **retention**. Any additional amounts recovered will be paid to the **Insured**.

15. Other Insurance

This insurance applies in excess of any other valid and collectible insurance available to the **Insureds**, including any **retention** or deductible portion thereof, unless such other insurance is written specifically to be excess insurance over the Limits of Liability of this Policy.

16. Entire Agreement

By acceptance of this Policy, the **Named Insured** agrees that this Policy embodies all agreements between the **Named Insured** and the Underwriters relating to this insurance. Notice to any agent, or knowledge possessed by any agent, or by any other person, will not affect a waiver or a change in any part of this Policy or stop the Underwriters from asserting any right under the terms of this insurance; nor will the terms of this insurance be waived or changed, except by endorsement issued to form a part of this Policy and signed by the Underwriters.

17. Assignment

The interest hereunder is not assignable by the **Named Insured** or any **Subsidiary**. If an **Insured** dies or is adjudged incompetent, this insurance will apply to such **Insured's** legal representative to the same extent it would have applied to the **Insured**.

18. Cancellation by the Named Insured

The **Named Insured** may cancel this Policy by surrender thereof to Underwriters, and by mailing or delivering to the Underwriters advance, written notice stating when thereafter cancellation will be effective. The mailing of such notice will be sufficient notice and the effective date of cancellation will become the end of the **policy period**. Delivery of such written notice will be equivalent to mailing. If this Policy is canceled by the **Named Insured**, the earned premium will be computed on a short rate basis subject to a minimum earned of twenty-five percent (25%) of the total annual

premium. Notwithstanding the foregoing, in the event that a **claim** or potential **claim** is reported under this Policy, no return premium will be provided. Payment or tender of any unearned premium by Underwriters will not be a condition precedent to the effectiveness of cancellation.

19. Cancellation by Underwriters

- a. Underwriters may cancel this Policy for non-payment of premium by mailing to the **Named Insured** written notice stating when, not less than ten (10) days thereafter, such cancellation will be irrevocable. If payment is not received within the ten (10) day period, then this Policy will be cancelled ab initio, meaning coverage is null and void as of the effective date of this Policy. The mailing of such notice will be sufficient notice. Delivery of such written notice by Underwriters by facsimile, email or private courier will be equivalent to mailing. If the foregoing notice period is in conflict with any governing law or regulation, then such period will be amended to afford the minimum notice period permitted thereunder.
- b. If Underwriters cancel this Policy other than as set forth in paragraph a. of this section, Underwriters will give the **Named Insured** thirty (30) days' written notice prior to cancellation. The cancellation notice will state the effective date of the cancellation, and this Policy will terminate on that date. If the foregoing notice period is in conflict with any governing law or regulation, then such period shall be amended to afford the minimum notice period permitted thereunder. If Underwriters cancel this Policy under this paragraph b., the earned premium will be computed pro-rata.

20. Changes in Exposure

- a. If, during the **policy period**, the **Named Insured** is acquired, or control assumed by another entity, coverage under this Policy will continue until its natural expiration date for any **claim** made during the **policy period**, but only if:
 - i. With respect to Named Coverage I, II, III, IV, V and IX, the entirety of the actual or alleged **wrongful act(s)** or the **first party insured event(s)** giving rise to such **claim** occurs on or after the applicable **retroactive date** and prior to the effective date of the acquisition or change of control; and
 - ii. With respect to Named Coverage VI, VII and VIII, the entirety of the **first party insured event(s)** giving rise to such **claim** occurs during the **policy period**, but prior to the effective date of the acquisition or change of control.

The **Named Insured** must give Underwriters notice of the acquisition or change of control as soon as practicable, but in no event later than thirty (30) days from the effective date of the acquisition or change of control. The Policy may not be cancelled after the effective date of the acquisition or change of control, and the premium will be deemed fully earned on such date. In the event the **Named Insured** is acquired, or control is assumed by another entity, the **Named Insured** will have the right to purchase a change of control **extended reporting period** in accordance with Section 10(b) of this Policy, but only if written notice of the request to purchase a change of control **extended reporting period**, together with full payment of the premium for the **extended reporting period**, is received by the Underwriters within thirty (30) days of the Policy expiration date.

- b. If, after the inception of the **policy period**, the **Named Insured** acquires or creates a **Subsidiary**, then for a period of sixty (60) days after the effective date of the transaction, the **Subsidiary** will be included within the definition of **Insured**, but only with respect to any **claim** for actual or alleged **wrongful acts** or **first party insured events** that take place or first commence after the creation or acquisition of such **Subsidiary**. The **Named Insured** must give Underwriters written notice of the newly acquired or created **Subsidiary** within sixty (60) days of the effective date of the acquisition or creation thereof, together with such information as we may require. In the event that the revenues of the new **Subsidiary** exceed ten percent (10%) of the annual revenues of the **Named Insured** prior to the creation or acquisition, as reflected in the most recent **application** for this insurance, there may be an additional premium charged, which must be paid in order for coverage for the new **Subsidiary** to continue beyond the initial sixty (60) day period.
- c. If, after the inception of the **policy period**, the **Named Insured** sells a **Subsidiary**, that **Subsidiary** will be an **Insured**, but only with respect to any **claim** for:
 - i. With respect to Named Coverage I, II, III, IV, V and IX, actual or alleged **wrongful acts** or **first party insured event(s)** that occur on or after the applicable **retroactive date** and prior to the effective date of the sale; and

- ii. With respect to Named Coverage VI, VII and VIII, **first party insured event(s)** that occur during the **policy period**, but prior to the effective date of the sale.

The **Named Insured** must give written notice of the sale to us within sixty (60) days of the effective date of the sale. There will be no return premium.

21. Words and Titles of Paragraphs

The titles of paragraphs, section, provisions, or endorsements of or to this Policy are intended solely for convenience and reference and are not deemed in any way to limit or expand the provisions to which they relate and are not part of the Policy. Whenever the singular form of a word is used herein, the same will include the plural when required by context.

22. Dispute Resolution

- a. No action will lie against the Underwriters unless, as a condition precedent thereto, there has been full compliance with all terms of this insurance, nor until the amount of an **Insured's** obligation to pay has been finally determined either by judgment or award against the **Insured** after actual trial or arbitration or by written agreement of the **Insured**, the claimant, and the Underwriters.
- b. Any person or organization, or the legal representative thereof, who has secured such judgment, award, or written agreement will thereafter be entitled to make a **claim** under this Policy to the extent of the insurance afforded by this Policy. No person or organization has any right under this Policy to join the Underwriters as a party to an action or other proceeding against any **Insured** to determine the **Insured's** liability, nor may the Underwriters be impleaded by the **Insured** or the **Insured's** legal representative. Bankruptcy or insolvency of the **Named Insured** or of the **Named Insured's** estate will not relieve the Underwriters of their obligations hereunder.
- c. Mediation. If any dispute arises between any **Insured** and the Underwriters involving this Policy and/or a **claim** hereunder, the **Named Insured** and the Underwriters agree that such dispute will be referred to a qualified mediator in a good faith effort to negotiate a resolution of the dispute prior to the initiation of any arbitration or other proceedings. The party invoking the agreement to mediate will provide written notice to the other party setting forth its request to mediate and a brief statement regarding the issue to be mediated. The persons named in Item 11 of the Declarations are authorized and directed to accept the Notice of Mediation on behalf of the Underwriters. The **Named Insured** is authorized and directed to accept the Notice of Mediation on behalf of any **Insured**.
- d. Arbitration. As a condition precedent to any right of action hereunder, in the event that a good faith effort to mediate pursuant to paragraph c. above does not resolve a dispute between any **Insured** and the Underwriters involving this Policy or a **claim** or circumstance hereunder, the **Named Insured** and Underwriters agree that such dispute will be determined by final and binding arbitration before a single arbitrator. If the parties cannot mutually select the arbitrator, the parties will refer the selection of the arbitrator to the American Arbitration Association.

23. Service of Suit Clause (U.S.A.)

- a. Subject to the application of Section 22, it is agreed that in the event of the Underwriters failure to pay any amount claimed to be due under this Policy, the Underwriters herein, at the **Named Insured's** request, will submit to the jurisdiction of any court of competent jurisdiction within the United States. Nothing in this section constitutes, or should be understood to constitute, a waiver of the Underwriters' rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or any state in the United States. It is further agreed that service of process in such suit may be made upon the Underwriters representative, designated in Item 11 of the Declarations, and that in any suit instituted against any one of them upon this Policy, the Underwriters will abide by the final decision of such court or of any appellate court in the event of an appeal.
- b. The Underwriters' representative designated in Item 11 of the Declarations is authorized and directed to accept service of process on the Underwriters' behalf in any such suit and/or, upon the **Named Insured's** request, to give a written undertaking to the **Named Insured** that they will enter a general appearance on the Underwriters' behalf in the event such a suit is instituted.

- c. Pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, the Underwriters hereby designate the Superintendent, Commissioner, or Director of Insurance or other officer specified for that purpose in the statute, or his or her successor in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on the **Named Insured's** behalf or any beneficiary hereunder arising out of this Policy, and the Underwriters hereby designate the Underwriters' representative listed in Item 11 of the Declarations as the person to whom the officer is authorized to mail such process or a true copy thereof.

24. Warranty by the Named Insured

- a. By acceptance of this Policy, the **Named Insured** agrees that the statements contained in the **application**, any application for insurance if this Policy is a renewal, and any supplemental materials submitted therewith are the **Named Insured's** agreements and representations, which are deemed material to the risk assumed by the Underwriters, and that this Policy is issued in reliance upon the truth thereof.
- b. The misrepresentation or non-disclosure of any matter by the **Named Insured**, or the **Named Insured's** agent, in the **application**, any application for insurance if this Policy is a renewal, or any supplemental materials submitted to the Underwriters will render the Policy null and void and relieve the Underwriters from all liability under this Policy.
- c. The **application**, any application for insurance if this Policy is a renewal, and any supplemental materials submitted to the Underwriters are deemed incorporated into and made a part of this Policy.
- d. The following additional warranties apply solely to Named Coverage IX:

It is warranted that:

- i. The **Insureds** will reasonably observe and comply with any data protection laws and regulations applying within any country of which the **Insured** should have been aware; and
- ii. The **Insureds** will advise Underwriters of any material changes to any information supplied by the **Insureds** (or its agent or representative) to Underwriters prior to, or subsequent to, the effective date of this Policy. In particular, should an **Insured** become aware of any circumstance which is likely to reduce the value of the **Insured's reputation** insured hereunder, the **Insured** will advise Underwriters for the purpose of resubmission of same to re-evaluation by us. The sum(s) insured will be amended accordingly. Any failure of the **Insured** to advise of such material changes prior to the occurrence of a loss event may serve (at the sole decision of Insurers hereon) to reduce or prevent recovery for any **claim** hereunder.

25. Forfeiture

Any action or failure to act by the **Named Insured** with the intent to defraud the Underwriters, or any material misrepresentation or non-disclosure of any material fact or **claims** by the **Named Insured** in the **application** or in any supplemental materials submitted to the Underwriters, will render this Policy null and void, and all coverage hereunder shall be forfeited.

26. Licensure

- a. It is a condition of the coverage afforded under this Policy that the facilities of the **Named Insured** and any **Subsidiary** shall be licensed in accordance with all relevant federal, state and local requirements. The **Named Insured** warrants that as of the inception date of this Policy it has secured all relevant licenses.
- b. If, during the **policy period**, any **Insured's** licensure status with respect to a particular facility is altered by withdrawal, revocation, denial, suspension or failure to renew, the **Named Insured** shall give written notice of such change to the Underwriters through persons named in Item 9 of the Declarations within 30 days of the change becoming effective. Following receipt of such notice, the Underwriters may elect, at their sole option, to revise any Insuring Agreements, Definitions, Exclusion, Endorsements or other conditions of this Policy with respect to such facility, with effect from the date of withdrawal, revocation, denial, suspension or failure to renew such **Insured's** license. Such action does not waive the Underwriters' option to invoke the provisions of Condition 19 of this Policy. Furthermore, the Underwriters will have no obligation to respond to any **claim** arising out of any **wrongful acts(s)** or **first party insured events(s)** that took place or occurred after the effective date

of withdrawal, revocation, denial, suspension or failure to renew an **Insured's** license.
