Any amounts recovered in excess of the Insurer's total payment shall be paid to the **Insureds**, less the cost to the Insurer of recovery.

G. Changes

Notices to any agent or knowledge possessed by any agent shall not affect a waiver or a change in any part of this Policy or prevent the Insurer from asserting any rights under the terms of this Policy, nor shall the terms of this Policy be waived or changed, unless endorsed hereon.

H. Action Against the Insurer

No action shall be taken against the Insurer unless, as a condition precedent thereto, the **Insured** shall have fully complied with all the terms of this Policy, nor until the amount of the **Insured's** obligation to pay shall have been finally determined either by judgment against the **Insured** after actual trial or by written agreement of the **Insured**, the claimant and the Insurer.

Any person or organization or the legal representative thereof who has secured a judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by this Policy. No person or organization shall have any right under this Policy to join the Insurer in any action against the **Insured** to determine the **Insured's** liability, nor shall the Insurer be impleaded by the **Insured** or their legal representative.

Proof of mailing the notice of cancellation shall be sufficient proof of notice and this Policy shall terminate on the date and time specified in such notice. If the Insurer cancels this Policy, the earned premium shall be computed pro-rata. Payment or tender of any unearned premium by the Insurer shall not be a condition precedent to the effectiveness of cancellation.

K. Acquisition or Creation of Another Organization

If, during the **Policy Period**, the **Named Insured**:

1. acquires voting securities in another organization or creates another organization, which as a result of such acquisition or creation becomes a **Subsidiary**; or

N. **Service of Suit**

In the event of failure of the Insurer to pay the amount claimed to be due hereunder, the Insurer will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the Insurer's rights to commence an action in any court of competent jurisdiction in the United States or to remove an action to a United States District Court or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such action may be made upon General Counsel and that in any such action instituted against the Insurer relating to this Policy, the Insurer will abide by the final nonappealable decision of such court or of any appellate court in the event of any appeal.
